Notes:

1. The Ministry of Corporate Affairs (“MCA”) vide its General Circular Nos. 20/2020 dated 5th May 2020 and 9/2023 dated 25th September, 2023, and other circulars issued in this respect (“MCA Circulars”) has allowed, inter alia, conduct of AGMs through Video Conferencing/ Other Audio-Visual Means (“VC/ OAVM”) facility on or before 30th September, 2024. The Securities and Exchange Board of India (“SEBI”) also vide its Circular No. SEBI Circulars HO/CFD/ CFD-PoD-2/P/CIR/2023/167 dated 7th October, 2023 (“SEBI Circular”) has provided certain relaxations from compliance with certain provisions of the SEBI (LODR) Regulations, 2015 (“Listing Regulations”). Accordingly, in compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (LODR) Regulations, 2015 (“SEBI Listing Regulations”) and MCA Circulars, the AGM of the Company is being held through VC / OAVM, without the physical presence of the members at a common venue. The deemed venue for the AGM shall be the Registered Office of the Company. The facility of casting votes by a member using remote e-voting system as well as venue e-voting on the date of the AGM will be provided by NSDL.
2. In compliance with the MCA Circulars and SEBI Circulars Notice of the AGM along with the Annual Report for the financial year 2023-24 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company / Registrar and Transfer Agent / Depository Participants / Depositories. The Annual Report for the financial year 2023-24 together with the Notice of convening this AGM is available on the website of the Company at www.purohitconstruction.com; Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of NSDL at www.evoting.nsdl.com.

Members who have not registered their email address are requested to get their email address registered with their DP in case the shares are held in electronic mode and with Company’s Registrar and Share Transfer Agent in case shares are held in Physical Form. This may be treated as an advance opportunity in terms of proviso to Rule 18(3)(i) of the Companies (Management and Administration) Rules, 2014.
3. Since the AGM is being held through VC/OAVM, pursuant to the MCA Circular, the facility to appoint proxy(ies) to attend and cast vote for the members is not available for this AGM and physical attendance of Members has been dispensed with. Hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF / JPG Format) of its Board or governing body Resolution / Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution / Authorization shall be sent to the Scrutinizer by email through its registered email address to evoting@parikhdave.com Members are requested to intimate changes, if any, pertaining to their Name, Postal Address, Email Address, Telephone / Mobile Numbers, Permanent Account Number (PAN), Mandates, Nominations, Power of Attorney, Bank details such as Name of the Bank and Branch details, Bank Account Number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to Share Transfer Agent of the Company in case the shares are held by them in physical form.
5. As the meeting is to be convened through VC / OAVM the requirement of attaching the route map for the venue of meeting does not arise.
6. Statement pursuant to provisions of Section 102 of the Companies Act, 2013 and SEBI Listing Regulations, in respect of special business in the annual general meeting is annexed herewith and forms integral part of the Notice.
7. SEBI Master circular no. SEBI/HO/MIRSD/POD-1/P/ CIR/2023/ 70 dated 17th May, 2023 provides simplified norms for processing investor’s service request, the shareholders holding shares in Physical mode are mandatorily require to record their PAN, Address with PIN code, Email address, Mobile Number, Bank Account details, Specimen Signature and Nomination with the Company/ Registrar & Share Transfer Agent (RTA) of the Company. Shareholders are also requested to make sure that their PAN is successfully linked with Aadhaar Card. Original cancelled cheque leaf bearing

the name of the first holder failing which first security holder is required to submit copy of bank passbook / statement attested by the bank which is mandatory for registering the new bank details at the earliest to Share Transfer Agent.

The relevant formats for Change/ Updation of KYC Details like, Mobile Number, Email ID, Bank Details, Signature and Registration of Nomination or Opting Out of Nomination are in Form ISR-1, ISR-2, ISR-3, SH-13, SH-14. All these form and SEBI circulars are available on Company website as well as the website of Share Transfer Agent. Nomination facility is available for the Members as per Section 72 of the Act. Members of the Company have an option to nominate any person as their nominee to whom their shares shall vest in the unfortunate event of their death. It is advisable to avail this facility, especially by the Members who currently hold shares in their single name. Nomination can avoid the process of acquiring any right in shares through transmission of shares by law. In case of nomination for the shares held by the joint holders, such nomination will be effective only on death of all the holders. In case the shares are held in dematerialised form, the nomination form needs to be forwarded to Depository Participant (DP).

8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL on all resolution set forth in this Notice.
9. SEBI vide circular nos. SEBI/HO/OIAE/OIAE_IAD- 1/P/CIR/2023/131 dated July 31, 2023 and SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/135 dated August 4, 2023 read with master circular no. SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/145 dated August 11, 2023, had issued guidelines towards an additional mechanism for investors to resolve their grievances by way of Online Dispute Resolution ('ODR') through a common ODR portal. Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievance with the Company/its Registrar and Share Transfer Agent directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal ([https://smartodr. in/login](https://smartodr.in/login)) and the same can also be accessed through our website. Members can access the SEBI Circulars on the website of SEBI at <https://www.sebi.gov.in/> and the same are also available on the website of the Company at <https://www.purohitconstruction.com/>
10. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
11. In light of the above MCA Circulars, the shareholders who have not submitted their email addresses and in consequence to whom the Notice of AGM along with Annual Report could not be serviced, may temporarily get their e-mail addresses registered with the Company's Registrar and Share Transfer Agent or with the Company by sending an e-mail at cs@purohitconstruction.com. EXPLANATORY STATEMENT

(PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013)

Item No. 3:

Shri Narendra Purohit was re-appointed as a Managing Director of the Company with effect from 1st April, 2022 for a period of 5 years. In compliance of Schedule V of the Companies Act, 2013 the term of payment of remuneration was approved for the term of 3 years i.e. till 31st March, 2025.

Looking to the above requirement of payment of remuneration for a period not exceeding three years, which was approved by members at their Annual General Meeting held on August 12, 2022, now it would be necessary to get the approval of members for payment of remuneration to him for his remaining tenure of appointment.

The Board of Directors has considered it appropriate and advisable to affirm payment of his existing remuneration with effect from 1st April, 2025 for his remaining tenure. The Audit Committee has approved and Nomination and Remuneration Committee have recommended to continue the payment of existing remuneration to him. The terms and conditions of his remuneration are as under:

- A. Salary: Up to Rs. 1,40,000/- (Rupees One Lakh Forty Thousand only) per month subject to increment of up to 20% p.a. as may be decided by Board of Directors.
- B. In addition to the salary he shall be entitled to the perquisites as listed below, which shall not be included in the computation of ceiling of remuneration specified herein above:
 - a) Contribution to Provident Fund, Superannuation Fund or Annuity Fund to the extent these singly of together are not taxable under the Income-Tax Act.
 - b) Gratuity payable shall not exceed half a month's salary for each completed year of service.
 - c) Encashment of leave at the end of the tenure.

In case the Company has no profits or the profits are inadequate in any financial year during the term of office, the Managing Director shall be entitled to receive the above salary and perquisites as minimum remuneration, however in any case, the total remuneration shall not exceed the limit as specified in Schedule V of the Companies Act, 2013.

The Company will reimburse to the Managing Director such expenses as he may incur on behalf of the Company.

The Managing Director will be entitled to the earned privilege leave on full pay and allowance as per the rules of the Company not exceeding one month leave for every eleven months of service.

The Managing Director shall not be liable to retire by rotation.

The Managing Director shall not be entitled to receive any sitting fee for attending the meetings of the Board of Directors or committee thereof from the date of this appointment.

As per the provision of Sections 196, 197, Schedule V and all other applicable provisions of the Companies Act, 2013 (the "Act") and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modifications or re-enactments thereof for the time being in force) and Regulation 17(6)(e) of SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the payment of remuneration to Managing Director requires approval of the shareholders in the General Meeting by way of Special Resolution.

The Board of Directors is of the view that Shri Narendra Purohit fulfills the conditions specified in the Companies Act, 2013 and rules made thereunder. Your Directors, therefore, recommend passing of the proposed resolution seeking approval to continue to pay the existing remuneration as mentioned above to Shri Narendra Purohit, Managing Director of the Company as a Special Resolution with or without modification.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. INTRODUCTION:

Purohit Construction Limited, Established in 1991, is one of the leading Construction Company in Gujarat. Your Company has more than three decade years of experience in the construction business with capabilities in providing Construction services for civil construction and infrastructure projects. With engineering experience, trained and qualified manpower, your Company can successfully execute and implement projects independently or through subcontracting.

B. ECONOMIC OVERVIEW:

The global economic output is expected to witness stable growth, fuelled by stabilising inflationary pressures, reviving consumer sentiment and investor confidence. The employment scenario in the US and other advanced economies has recovered from pandemic levels and higher disposable income is also expected to facilitate growth in the coming years.

Emerging and developing countries are also experiencing stable growth across multiple sectors, powered by governments' focus on infrastructure and manufacturing sectors.

The global economy is anticipated to register a growth rate of 3.2% in CY24, which is likely to gradually remain at at 3.2% in CY25. Developing economies, including India, are powering ahead in many cases, with growth rates expected to be 6.5% in CY25.

(Source - IMF World Economic Outlook, April, 2024)

C. INDUSTRY STRUCTURE AND DEVELOPMENTS

In India, the real estate sector is the second-highest employment generator. Real estate sector in India is expected to reach US\$ 1 trillion by 2030. By 2025, it will contribute 13% to the country's GDP. India's real estate sector is witnessing a healthy increase in demand in 2024 and this momentum is expected to hold for the rest of the year. From commercial spaces to the residential market, the overall market outlook is a bright one for the real estate industry.

Despite significant headwinds, the sector has continued to show resilience and steady growth in 2024. In addition, the festive season fed the sector's growth. Buoyed by these factors, the sector made a strong comeback.

D. STRENGTHS & OPPORTUNITIES:

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term.

Your Company continues to capitalize on the market opportunities by leveraging its key strengths like Brand Reputation, Transparency, outsourcing, significant leveraging opportunity.

The infrastructure and construction market in India are particularly affected in an atmosphere of lack of complete inertia in new project development and execution. Issues like environment clearances and financial difficulties for large developers have led to very little new opportunities in terms of infrastructure related development.

E. THREATS & CHALLENGES:

While we are well prepared to capture the opportunities, few challenges in the near to medium term may have an impact on performance:

- Wars,
- Unanticipated delays in project approvals;
- Availability of accomplished and trained labour force
- Concerns due to ongoing pandemic situation;

- Increased cost of manpower;
- Rising cost of construction lead by increase in commodity prices;
- Over regulated environment.

F. RISKS AND CONCERNS

Risks are an inherent part of the Company operations due to the highly regulated and dynamic nature construction industry. The Company has implemented a comprehensive risk management framework to make sure that it is geared to address any negative effects posed by financial, operational, strategic, or regulatory risks.

G. DISCUSSION ON FINANCIAL PERFORMANCE:

The Company has completed all the projects on hand during the year under review, the total income of the Company has been decreased from Rs. 120.43 Lakhs in previous year to Rs. 0.05 Lakhs in current year. Further, the Loss before tax of the Company has been decreased from Rs. 76.06 Lakhs to Rs. 43.98 Lakhs and Loss after Tax decreased from Rs. 75.77 lakhs to Rs. 46.24 Lakhs in the current financial year.

H. INTERNAL CONTROL SYSTEM & THEIR ADEQUACY:

The Company has an internal control system, which provides protection to all its assets against loss from unauthorised use and for correct reporting of transactions. The internal control systems are further supplemented by internal audit carried out by an independent firm of Chartered Accountants and periodical review by the management. The company has put in place Proper controls, which are reviewed at regular intervals to ensure that transactions are properly authorized & correctly reported and assets are safeguarded. The Audit Committee of the Board addresses issues raised by both the Internal and Statutory Auditors. The internal control systems are implemented to safeguard the Company's assets from loss or damage. To keep constant check on cost structure and to provide adequate financial and accounting controls and implement accounting standards.

In addition to above, Purohit Construction Limited has formulated a Vigil Mechanism (Whistle Blower Policy) for its Directors and Employees of the Company for reporting genuine concern about unethical practices and suspected mal-practices.

J. HUMAN RESOURCES DEVELOPMENT:

The Company strives to create a professional workspace by fostering the values of fairness, equity and respect; encouraging knowledge exchange and teamwork; and ensuring an effective human resource management to drive the growth and success of the Company.

In construction industry, a project mainly focuses on two things, one is optimum utilization of resources and the other is speedy completion of project. In line to this trend, construction industry has seen Human Resource Management as a primary entity for every company.

For a construction industry, employees are an organisation's most valuable asset. However, people also represent the most difficult resource for organisations to manage. Unlike physical assets, people have their own individual needs which must be met and idiosyncrasies which must be managed if they are to contribute to organisational growth and development. People are individuals who bring their own perspectives, values and attributes to organisational life, and, when managed effectively, these human traits can bring considerable benefits to organisations. However, when managed poorly they have the potential to severely limit organisational growth and threaten the viability of a business.

Purohit Construction Limited ensures that the project has sufficient human resources, with the correct skill sets and experience, for the project to be successfully completed.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
PUROHIT CONSTRUCTION LIMITED
CIN- L45200GJ1991PLC015878
401, Purohit House,
Opp. Sardar Patel Stadium,
Navrangpura, Ahmedabad – 380009.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by PUROHIT CONSTRUCTION LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives whether electronically or otherwise during the conduct of secretarial audit; we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2024 according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- 2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- 3) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- 4) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; - Not applicable;
- 5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

INDEPENDENT AUDITOR'S REPORT

To,
The members of Purohit Construction Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Purohit Construction Limited (“the Company”), which comprise the balance sheet as at 31st March 2024, and the statement of profit and loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information [herein to referred as “the financial statements”].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Responsibilities of Management and Those Charged with Governance for the Financial Statement

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine

that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statement.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or

otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. No Dividend is declared or paid during the year.
- vi. Based on our examination, which includes test checks, the company has used an accounting software for maintaining its books of account for the period ended as on 31st March, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to rule 3(1) of the Companies (Accounts) Rules , 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the period ended 31st March, 2024.

ANNEXURE B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of PUROHIT CONSTRUCTION LIMITED ("the Company") as of 31 March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures

selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

These financial statements were authorized to be issued by the board of directors on May 24, 2024.

NOTE - 1 - MATERIAL ACCOUNTING POLICIES:

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

The financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value amount:

- Certain financial assets and financial liabilities
- Defined benefit plans

(b) Accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

(c) Critical estimates and judgements

The preparation of financial statements in conformity with Ind AS requires judgements, estimates and assumptions to be made that affect the reported amount of assets, liabilities, revenue, expenses, accompanying disclosures and the disclosures of contingent liabilities. The estimates and associates assumptions are based on historical experience and other factors that are considered to be relevant. Actual results could differ from those estimates. These estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future period.

Application of accounting policies that require critical accounting estimates and the use of assumptions in the financial statements are as follows:

i) Estimation of current tax expense and deferred tax

The calculation of the Company's tax charge necessarily involves a degree of estimation and judgement in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material profits/losses and/or cash flows.

ii) Recognition of deferred tax assets/ liabilities

The recognition of deferred tax assets/ liabilities is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits, the management considers the nature of the deferred tax assets, recent operating results, future market growth, forecasted earnings and future taxable income in the jurisdictions in which we operate and prudent and feasible tax planning strategies.

iii) Estimation of Provisions & Contingent Liabilities.

The Company exercises judgement in measuring and recognising provisions and the exposures to contingent liabilities which is related to pending litigation or other outstanding claims. If a loss arising from these litigations and/or claims is probable and can be reasonably estimated, the management record the amount of the estimated loss. If a loss is reasonably possible, but not probable, the management discloses the nature of the significant contingency and, if quantifiable, the possible loss that could result from the resolution of the matter. As additional information becomes available, the management reassess any potential liability related to these litigations and claims and may need to revise the estimates. Such revisions or ultimate resolution of these matters could materially impact the results of operations, cash flows or financial statements of the company.

iv) Estimated Useful Life of Property, Plant and Equipment

The charge in respect of periodic depreciation on Property, Plant and Equipment is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The Useful Lives and residual values of Company's Property, Plant and Equipment are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

v) Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(d) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The Managing Director of the Company has been identified as CODM and he assesses the financial performance and position of the Company, and makes strategic decisions.

(e) Revenue recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services.

Amounts disclosed as revenue is net of goods and service tax and amounts collected on behalf of third parties.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

- (i) In case of construction contracts or part thereof completed during the year, revenue is recognized based on the work bills raised on the principals of such projects.

- (ii) In respect of the construction contracts on hand, company recognizes revenue at the year-end on the basis of "Percentage of work completion" method based on the amounts admitted by principals or certified by the Architect till the year end in accordance with the agreements entered into with the principal.

(f) Income tax

The tax expenses for the period comprises of current tax and deferred income tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In which case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(i) Current income tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The provision for current tax is made at the rate of tax as applicable for the income of the previous year as defined under the Income tax Act, 1961.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

(ii) Deferred tax

Deferred tax is recognised using the Balance Sheet approach on temporary differences at the reporting date arising between the tax bases of assets and liabilities and their carrying amounts as per financial statements as at the reporting date.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

(g) Impairment of non-financial assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(h) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid

investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(i) Inventories

Inventories are stated at lower of cost and net realizable value.

Cost of raw material includes cost of purchases and other cost incurred in bringing the inventories to the present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to complete the contract

(j) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

(i) Financial Assets:

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit or Loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Subsequent measurement

After initial recognition, financial assets are measured at:

- fair value (either through other comprehensive income or through profit or loss), or
- amortized cost

Debt instruments

Debt instruments are subsequently measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till de-recognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

(i) Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in the Statement of Profit and Loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

(ii) Fair Value Through Other Comprehensive Income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

(iii) Fair Value Through Profit or Loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss in the period in which it arises. Interest income from these financial assets are recognised in the Statement of profit and loss.

Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVTOCI) or FVTPL.

The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI). There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ('ECL') model for measurement and recognition of impairment loss on financial assets and credit risk exposures. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12- month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

Derecognition of Financial Assets

A financial asset is derecognized only when:

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity, if any, is recognised in profit or loss, except in case of equity instruments classified as FVOCI, where such cumulative gain or loss is not recycled to statement of profit and loss.

Income Recognition

Interest income

Interest income from debt instruments is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

(ii) Financial Liabilities:

Subsequent Measurement

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit and loss. Any gain or loss on derecognition is also recognized in statement of profit and loss.

Derecognition of Financial Liabilities

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(k) Property, plant and equipment

All items of property, plant and equipment are stated at historical cost less accumulated depreciation and impairment. Historical Cost comprises of the purchase price including import duties and non-

refundable taxes and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, rates and residual value

Depreciation is provided on a pro-rata basis on the written down value method over the estimated useful lives of the assets, based on technical evaluation done by management's expert, which are higher than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

The management estimates the useful life for the property, plant and equipment as follows:

Asset	Total Useful Life
Office Building	30 Years
Plant & Machinery	12 Years
Furniture & Fixtures	10 Years
Office Equipments	5 Years
Vehicles	8 Years
Computer & IT equipments	3 Years

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

(I) Leases:

The Company's lease asset classes primarily consist of leases for building. At the date of the commencement of the lease, the Company recognises a right-of-use asset representing its right to use the underlying asset for the lease term and a corresponding lease liability for all the lease arrangements in which it is a lease, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the period of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The estimated useful life of the assets are determined on the same basis as those of property, plant and equipment.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The future lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. For a lease with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

(m) Provisions and contingent liabilities

Provisions

Provisions are recognized when there is a present legal or constructive obligation as a result of a past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as an interest expense.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(n) Employee benefits

(i) Short term obligations

Short term employee benefits such as wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Post-employment obligations

The company operates the following post-employment schemes.

- Defined contribution plans such as provident fund, superannuation etc.
- Defined benefit plans such as gratuity

Defined contribution plans

The company pays contribution to defined contribution schemes such as provident fund, superannuation fund etc. The company has no further payment obligation once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

Defined benefit plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the Other Comprehensive Income, in the period in which they occur and is not eligible to be reclassified to the Statement of Profit and Loss in subsequent periods.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(o) Cash Flow Statement :

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(p) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share.

(ii) Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

(q) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousand as per the requirement of Schedule III, unless otherwise stated.

(r) Previous year Figures has been regrouped or re arranged wherever required.

NOTE - 27 - FINANCIAL RISK MANAGEMENT:

The Company's activities expose it to a variety of financial risks namely credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

(i) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial instruments that are subject to credit risk and concentration thereof principally consist of trade receivables, security deposits and cash and cash equivalents.

Credit risk on trade receivables is limited as the customers of the company mainly consists of the related parties, as a result the management has assessed that the credit risk is low.

Security deposits are receivable from the customers on the expiry of lease period, therefore the credit risk is limited. Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks and financial institutions with high credit ratings.

(ii) Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. Company's objective is to, at all time maintain optimum levels of liquidity to meet its financial obligations. The Group manages liquidity risk by maintaining sufficient cash and cash equivalents and by having access to funding through an adequate amount of committed credit lines. In addition, processes and policies related to such risks are overseen by senior management.

NOTE - 28 - CAPITAL MANAGEMENT

(a) Risk Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company and borrowings.

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.

The Company's aim is to translate profitable growth to superior cash generation through efficient capital management. The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure. The Company is not subject to financial covenants in any of its significant financing agreements. The management also monitors the return on capital as well as the level of dividends to shareholders.
